ADMISSION OPEN

FOR 2026-27 BATCH

COLLEGE OF ENGINEERING BHUBANESWAR (COEB)

(Approved by AICTE, Govt. of India, Affiliated to BPUT, Govt. of Odisha & Accredited by NAAC)

Why COEB?

College of Engineering Bhubaneswar stands as an excellent choice, offering a dynamic and diverse learning environment designed to prepare students to meet global challenges. At COEB we share the philosophy of creating merit through a collaborative atmosphere tactically designed and structured to bring out and amplify the talents of all its students. Students are nurtured and encouraged to integrate academic inputs focused on real-life scenarios. Our state-of-the-art campus with its latest facilities helps in creating a pool of knowledge-driven education. In addition to this, our co-curricular and extra-curricular activities bring out best among our students and thereby their creative facets are explored.

Here are the Top reasons

1

Course Structure

The Institute offers thematic learning and follows BPUT curriculum where activity-based culture is encouraged. It is a place where students' needs and learning style are identified. Here the emphasis is given to Classroom Assignments, Case Studies and Presentation to sharpen the analytical and decision-making ability of the students.

2

Mentors, not just Professors

The reason for COEB's higher growth is due to its strong base of faculty, who are veterans in their respective field. The faculties at COEB hail from the various educational background and various industrial fields that immensely help to enrich the expertise and learning of students. They act as mentor and guide students whenever they face any difficulties.

3

National Accreditation

COEB is approved and recognized by All India Council of Technical Education (AICTE), Ministry of HRD, Govt. of India and Affiliated to the Biju Pattnaik University of Technology (BPUT). College of Engineering Bhubaneswar was accredited by National Board of Accreditation (NBA), Govt. of India & National Assessment and Accreditation Council (NAAC).

Summer Internship and Placement

COEB provides hands-on training on professional business etiquette, through the Pre-Placement Training. Various value-added Programmes are organized to polish students, as per the industry scenario. Some of the prominent recruiters at COEB are Karvy Financial Services Ltd, ESSPL, Innoeye Technologies, Miracle Software Systems, Triayaam Software, Infinite Computer India Pvt Ltd, TEXMO Industries, Subros, Force Motors, INFOSYS, Tech Mahindra, Wipro Etc. COEB has attained an excellent placement record since inception.

Courses Offered

B-Tech

- Civil Engineering
- Mechanical Engineering
- Electrical Engineering
- Electronics & Telecom. Engineering
- Computer Science & Engineering (AI & ML)
- Computer Science & Engineering

BBA, MBA

M-Tech

- Transportation Engineering
- Production Engineering

Diploma Engineering

- Civil, Mechanical, Electrical and Electronics & Telecom. Engineering
- Computer Science & Engineering

BCA, MCA

i

Academics

The academic framework emphasizes excellence and continuous improvement in teaching methodologies, delivering quality education aligned with industry standards and technological advancements. The curriculum promotes analytical thinking, innovation, and practical learning, ensuring holistic development and readiness for professional challenges.

ii

High-Quality Holistic Learning

In order to meet the high-quality holistic learning, we adopt case study approaches & the simulation methods to accomplish the educational targets. Thus, our students fairly experience that our institute, COEB, spares no pains to bring the complex realities of today's technology into the classrooms through the powerful medium of case studies made on the basis of interactive processes, which not only stimulate the latent potentials of the budding technocrats but also induce in them the expertise & confidence which do enable them to deal with the practical problems of the industry as well as the corporate world.

iii

Seminars and Workshops

Seminars and workshops play a pivotal role in molding students' knowledge base. To keep abreast with the latest advancement and enlighten students' mindset regular seminars, workshop, presentations, awareness camp etc. are conducted. This infuses global mindset amongst all. This gives a deep insight to see the mundane world in a different way. This also helps students' insatiable desire to acquire quality knowledge.

iv

Teaching Aids

Lecture sessions are conducted with the help of modern teaching aids. Our institutes is well equipped with LCD projectors, projection slides, educational audio-video CDs, LED projection system and other gadgets that are essential for any first-rate professional technical institute.
