To whom it may concern

This is to certify that Mr. **Bibhu Prasad Tripathy**, a student of the College of Engineering Bhubaneswar, has successfully completed his internship at **EduSkills Foundations**. The internship duration was from 20/07/2022 to 19/08/2022.

Mr. Tripathy actively participated in website development projects during his internship. He demonstrated a strong commitment to learning and contributed effectively to various aspects of web development, including design, coding, and implementation.

His proficiency in web development languages and technologies was evident throughout the internship. Mr. Bibhu Prasad Tripathy's dedication, adaptability, and creative input significantly enhanced the quality of our website development projects.

We appreciate his hard work and innovative contributions and wish Mr. Bibhu Prasad Tripathy continued success in his academic and professional journey.

Sincerely,

Managing Director

**Memorandum of Understanding (MoU) for Academic Co-operation and
Collaboration by Exchanging of Students /Staff/Faculty**

**Between College of Engineering Bhubaneswar, Odisha and Mahavir Institute Of Engineering And
Technology, Odisha**

This Memorandum of Understanding becomes effective on 21st Oct, 2022 to form an association.

by and between

**College of Engineering Bhubaneswar (hereafter referred as COEB), Patia, Bhubaneswar,
Odisha-751024 as the first part**

And

**Mahavir Institute Of Engineering And Technology (MIET), Mahavir Nagar, P.O. - Palaspur,
Bhubaneswar, Odisha 751006
as the Second Part**

For the purpose of exchanging Student/Staff/Faculty

The aforesaid institutions are herein referred to individually as “**Institute**” and collectively as
“**Institutions**”

Whereas COEB, Bhubaneswar and MIET, Bhubaneswar have many areas of common interest in
the field of Management studies by considering the benefits that can be gained from their recreation
on a shared basis in academics, research, training, and education.

Objective:

Both Institutes mutually agreed to develop the following collaborative activities in the academic
areas of mutual interest on a basis of equality and reciprocity.

Both the institute shall seek to promote:

- Exchange of Faculty/Students/Staff for the mutual benefit of both institutions.
- Collaboration in teaching, R&D, and consultancy studies in fields of mutual interest.
- Enhancement of teaching and research abilities.
- Participating in joint study tours and conferences.
- Sharing academic resources and publications.
- Delivering lectures, workshops, and seminars to benefit both institutions
- Staff attachment for curriculum development purposes.

Ref No.

Date: 21/10/2022

A specific plan shall be carried out for each activity setting forth the detailed arrangements of collaboration that will be agreed upon. Terms and conditions for each visit, assignment, or such exchange including remuneration, travel cost, and accommodations will be worked out by both institutions, including terms of exchange of any intellectual property.

Student Exchange:

COEB, Bhubaneswar, and MIET, Bhubaneswar agree that student exchange will be guided by principles of the home institution where a student exchange will be guided by principles of the home institution refers to the Institution where a student full-time time student and from where he/she is expected to graduate. A host institution refers to an institution that receives a student for a brief period of time to undertake a predetermined Program of study and research.

1. Exchange students will be selected by mutual agreement between the home institution and Host Institution.
2. An exchange student shall continue to be treated as a full-time student at his/her home institution.
3. His/her Program of study at the host institution will be determined by mutual consultation for a particular assignment of a program.
4. The host institute will evaluate an exchange student's performance in each course or module.
5. If an exchange student has undergone research, then the host institutions will evaluate the exchange student's performance in the research, then the host institution will evaluate the exchange student's performance in the research and issue a letter to the effect.
6. COEB, Bhubaneswar and MIET, Bhubaneswar agrees to provide suitable accommodation and living expenses for student exchange.
7. To avail travel expenses, students can apply at their home institution.

Other Activity Areas:

- To exchange information on education and research programme.
- To exchange information on teaching learning materials to their educational and research Programme.
- To jointly conduct short-term education programme and to invite each others, faculty, to participate therein.
- To organize joint Seminars, Conferences, Workshops on topics of their curriculum and invite each other faculty to participate therein.
- To exchange students of Postgraduate for limited periods of time for purpose of education and research.
- To perform students, staff and faculty members to use library facilities.

Co-ordination:

PRINCIPAL
College of Engineering Bhubaneswar

Ref No. _____

Date: 21/10/2022

Each Institute shall appoint one member of its teaching /research faculty to co-ordinate the programme on its view. Further, a coordinator committee consisting of both the institutions will periodically review to strengthen co-operation between two institutions.

Intellectual Property Rights:

Any intellectual property rights developed jointly during the course of the MoU, such as confidential information, copyrights, design rights, Patent rights, or any other intellectual property right, shall be vested in both institutions.

Amendments/Modifications: This MoU may be modified/amended if required by a written agreement signed by both parties.

Adherence to laws:

Participating faculties, Staff, and Students involved in any activities under this Memorandum must adhere to the laws, rules, and regulations of the Host Institution.

Validity:

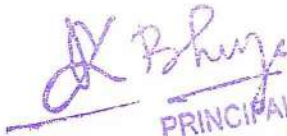

This memorandum shall remain in force for a period of five years commencing from the date of this MoU. Both parties may extend the term by written agreement signed by both after review.

Termination:

Either institute may terminate the MoU by providing the other institution with six months' written notice. If the contract is terminated, neither **COEB**, Bhubaneswar nor **MIET**, Bhubaneswar will be liable for any losses. Both Institutions, however, will ensure that the provisions of this Memorandum are followed in all activities until its completion.

Legal Dispute:

This memorandum is a statement of intent to foster genuine and mutually beneficial collaboration. Hence nothing shall be constructed in any legal relationship between these two institutions. In case there shall be any dispute, it shall be jointly resolved in a spirit of mutual respect and shared responsibilities.

Sub: Deputing Five numbers of Faculties nominated as visiting Faculty towards delivering lessons on "Machine Learning Algorithms and its applications in optimization Problems" under academic cooperation and collaboration scheme as defined in Memorandum of Understanding (MoU).

Dear Sir,

On the above noted subject you are requested to depute five numbers of teaching staff to be designated as Visiting Faculty to this institution under Faculty Exchange Program during the period of 15th Dec 2022 to 29th Dec 2022. We hope their contribution in teaching learning methodology will definitely be helpful in academic growth of both the institutions.

You are therefore requested to follow the below mentioned guidelines while deploying staff during faculty exchange program.

1. Faculty should be selected from the department of CSE, ETC branch based on their academic concept and research exposure.
 2. During the whole program, they will share or teach/co-teach to his/her colleagues to enhance their academic knowledge.
 3. Library Facilities, ICT tools, accommodations, TA and DA must be beared by the hosting Institution.
 4. All the faculties who will take part in this program will submit their resume along with the NOC certificate.
 5. The deputed faculty will be considered as visiting faculty so no remuneration will be provided.
- Your kind consent and a letter of acceptance is awaited.

To whom it may concern

This is to certify that **Mr. Abhishek Kumar** a student of **College of Engineering Bhubaneswar**, has successfully completed an internship at **Tanumansa Services Pvt. Ltd** during the period **10 /09 / 2021 to 09 /10 / 2021**. The internship was conducted as part of a project titled "Identification of Odia Language.". **Mr. Abhishek** played a crucial role in the project by focusing on the comparison of trained machine learning algorithms for the identification of the Odia language. **Mr. Abhishek** exhibited exceptional dedication and competence throughout the internship. His contributions significantly advanced the progress of the "Identification of Odia Language" project. He demonstrated a keen understanding of machine learning concepts and applied them effectively to achieve project goals.

This certificate is awarded as recognition of **Mr. Abhishek Kumar's** successful completion of the internship program and his valuable contributions to the "Identification of Odia Language" project. We wish his continued success in his academic and future professional endeavors.

MEMORANDUM OF UNDERSTANDING

BETWEEN

College of Engineering Bhubaneswar, Patia, Bhubaneswar, Odisha-751024

AND

**Smart Link Solutions Pvt. Ltd.
IRC Village Nayapalli, Bhubaneswar, Odisha-751015**

This Memorandum of Understanding (MOU) for collaborative research, educational training and project activities is entered into this 1st May 2021 by and between College of Engineering Bhubaneswar (hereafter referred as COEB) Odisha, India and Smart Link Solutions Pvt. Ltd (SLSPL), Bhubaneswar, Odisha, India.

GENERAL PRINCIPLES AND OBJECTIVES

1. The prime objectives of this agreement between both the parties is to establish a mutually beneficial association built for research, academic quality enrichment, training and joint collaborative projects for the benefit of technology in particular and society in general through exchange of resources, resource person and related laboratory & workshop facilities for the aforesaid objectives.
2. Both the parties agree to provide opportunities and synergic assistance as appropriate for the following activities towards initiating, conducting & completing the objectives of this MOU.
 - a) The joint programmes/ projects thus formulated shall have to be acceptable to both the parties.

College of Engineering Bhubaneswar

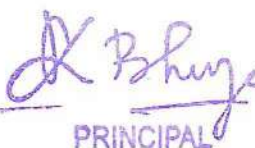

Ref No. _____

Date: 01/08/2021

- b) The research, training, educational projects shall be planned and prepared by the nominated experts from both the institutions.
- c) The Internship for students.
- d) The joint projects/programmes shall be submitted by the First Party on behalf of both the parties to the sponsoring agencies which are identified and agreed upon both the parties.
- e) Each party shall retain respective autonomy and control over the manner in which the commitments and obligations are met for the collaborative ventures.
- f) Guest Lecture for enhancing the knowledge of students.
- g) The first party shall apply to the Sponsoring Agencies for securing the projects and maintain the required documents/records/books of accounts/expenditure details/bills etc. and carryout all the required including commercial and financial formalities.
- h) Study Tour for Students.
- i) The financial grants/aid provided by the sponsoring Organization for any project shall be received by the First Party on behalf of both the parties. The amount so received shall be spent under the approval of the Project In-charge of respective parties according to planned activities formulated by both the parties.
- j) This MoU is also valid for providing and supporting students in their placement activities.

OTHER TERMS AND CONDITIONS

1. No clause of agreement of this MOU shall be amended or modified except by a joint written and signed Order of the Heads of both the institutions (First and Second Parties). Such amendments shall be identified through continuous serial number with date.
2. The credit for research publication and Patents of the joint project shall be shared by the parties, the research scholars and the guides as per joint decision of the Head of both the Institution.

To whom it may concern

We hereby certify that Mr. **Sakti Prasad Samal**, a student from College of Engineering Bhubaneswar has successfully completed his internship with **Mechem Pvt.Ltd.**. The internship period was **01 /08 /2021** to **02 /09 /2021**

During his time with us, Mr. **Samal** was actively involved in the project .He has shown a commendable level of creativity, technical skill, and dedication to his work. We are confident that the experience and knowledge gained during this internship will be valuable in his future endeavors in such related fields.

We wish him the best in his future academic and professional pursuits.

Sincerely,

Managing Director

Mechem Pvt.Ltd

Memorandum of Understanding (MoU) for Academic Co-operation and Collaboration by Exchanging of Students /Staff/Faculty Between College of Engineering Bhubaneswar, Odisha and Nalanda Institute of Technology, Odisha

This Memorandum of Understanding becomes effective on 16th Aug, 2021 to form an association.

by and between

College of Engineering Bhubaneswar (hereafter referred as COEB), Patia, Bhubaneswar, Odisha-751024 as the first part

And

Nalanda Institute of Technology (NIT), Buddhist Villa, Khandagiri, Bhubaneswar, Odisha-754005 as the Second Part

For the purpose of exchanging Student/Staff/Faculty

The aforesaid institutions are herein referred to individually as "Institute" and collectively as "Institutions"

Whereas COEB, Bhubaneswar and NIT, Bhubaneswar have many areas of common interest in the field of Management studies by considering the benefits that can be gained from their recreation on a shared basis in academics, research, training, and education.

Objective:

Both Institutes mutually agreed to develop the following collaborative activities in the academic areas of mutual interest on a basis of equality and reciprocity.

Both the institute shall seek to promote:

- Exchange of Faculty/Students/Staff for the mutual benefit of both institutions.
- Collaboration in teaching, R&D, and consultancy studies in fields of mutual interest.
- Enhancement of teaching and research abilities.
- Participating in joint study tours and conferences.
- Sharing academic resources and publications.
- Delivering lectures, workshops, and seminars to benefit both institutions
- Staff attachment for curriculum development purposes.

A specific plan shall be carried out for each activity setting forth the detailed arrangements of collaboration that will be agreed upon. Terms and conditions for each visit, assignment, or such exchange including remuneration, travel cost, and accommodations will be worked out by both institutions, including terms of exchange of any intellectual property.

Sub: Deputing Five numbers of Faculties nominated as visiting Faculty towards delivering lessons on "Energy and Micro-power generation" under academic cooperation and collaboration scheme as defined in Memorandum of Understanding (MoU).

Dear Sir,

On the above noted subject you are requested to depute five numbers of teaching staff to be designated as Visiting Faculty to this institution under Faculty Exchange Program during the period of 25th Sep 2021 to 9th Oct 2021. We hope their contribution in teaching learning methodology will definitely be helpful in academic growth of both the institutions.

You are therefore requested to follow the below mentioned guidelines while deploying staff during faculty exchange program.

1. Faculty should be selected from the department of MECH, CIVIL branch based on their academic concept and research exposure.
 2. During the whole program, they will share or teach/co-teach to his/her colleagues to enhance their academic knowledge.
 3. Library Facilities, ICT tools, accommodations, TA and DA must be beared by the hosting Institution.
 4. All the faculties who will take part in this program will submit their resume along with the NOC certificate.
 5. The deputed faculty will be considered as visiting faculty so no remuneration will be provided.
- Your kind consent and a letter of acceptance is awaited.

MEMORANDUM OF UNDERSTANDING

BETWEEN

College of Engineering Bhubaneswar, Odisha-751024

AND

Beta Q Solutions , Bhubaneswar -751021

This Memorandum of Understanding (MOU) for collaborative research, educational training and project activities is entered into this 16th June 2020 by and between College of Engineering Bhubaneswar (COEB) Odisha, India (hereinafter called the ~~First Party~~ ^{1st Party} and Beta Q Solutions , Bhubaneswar -751021, India (hereinafter called the ~~Second Party~~ ^{2nd Party}).

GENERAL PRINCIPLES AND OBJECTIVES

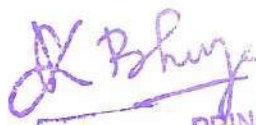

1. The prime objectives of this agreement between both the parties is to establish a mutually beneficial association built for research, academic quality enrichment, training and joint collaborative projects for the benefit of technology in particular and society in general through exchange of resources, resource person and related laboratory & workshop facilities for the aforesaid objectives.
2. Both the parties agree to provide opportunities and synergic assistance as appropriate for the following activities towards initiating, conducting & completing the objectives of this MOU.

PRINCIPAL
College of Engineering Bhubaneswar

- a) The joint programmes/ projects thus formulated shall have to be acceptable to both the parties.
- b) The research, training, educational projects shall be planned and prepared by the nominated experts from both the institutions.
- c) The Internship for students.
- d) The joint projects/programmes shall be submitted by the First Party on behalf of both the parties to the sponsoring agencies which are identified and agreed upon both the parties.
- e) Each party shall retain respective autonomy and control over the manner in which the commitments and obligations are met for the collaborative ventures.
- f) Guest Lecture for enhancing the knowledge of students.
- g) The first party shall apply to the Sponsoring Agencies for securing the projects and maintain the required documents/records/books of accounts/expenditure details/bills etc. and carryout all the required including commercial and financial formalities.
- h) Study Tour for Students.
- i) The financial grants/aid provided by the sponsoring Organization for any project shall be received by the First Party on behalf of both the parties. The amount so received shall be spent under the approval of the Project In-charge of respective parties according to planned activities formulated by both the parties.
- j) This MoU is also valid for providing and supporting students in their placement activities.

OTHER TERMS AND CONDITIONS

1. No clause of agreement of this MOU shall be amended or modified except by a joint written and signed Order of the Heads of both the institutions (First and Second Parties). Such amendments shall be identified through continuous serial number with date.
2. The credit for research publication and Patents of the joint project shall be shared by the

Memorandum of Understanding (MoU) for Academic Co-operation and Collaboration by Exchanging of Students /Staff/Faculty

Between College of Engineering Bhubaneswar, Odisha and Gandhi Institute for Technology, Odisha

This Memorandum of Understanding becomes effective on 5th July, 2020 to form an association.

by and between

College of Engineering Bhubaneswar (hereafter referred as COEB), Patia, Bhubaneswar, Odisha-751024 as the first part

And

Gandhi Institute for Technology (GIFT), Gramadiha, P.O.: Gangapada, Bhubaneswar Odisha - 752054 as the Second Part

For the purpose of exchanging Student/Staff/Faculty

The aforesaid institutions are herein referred to individually as “**Institute**” and collectively as “**Institutions**”

Whereas **COEB, Bhubaneswar and GIFT, Bhubaneswar** have many areas of common interest in the field of Management studies by considering the benefits that can be gained from their recreation on a shared basis in academics, research, training, and education.

Objective:

Both Institutes mutually agreed to develop the following collaborative activities in the academic areas of mutual interest on a basis of equality and reciprocity.

Both the institute shall seek to promote:

- Exchange of Faculty/Students/Staff for the mutual benefit of both institutions.
- Collaboration in teaching, R&D, and consultancy studies in fields of mutual interest.
- Enhancement of teaching and research abilities.
- Participating in joint study tours and conferences.
- Sharing academic resources and publications.
- Delivering lectures, workshops, and seminars to benefit both institutions
- Staff attachment for curriculum development purposes.

PRINCIPAL
College of Engineering Bhubaneswar

Ref No.

Date: 25/2/20

A specific plan shall be carried out for each activity setting forth the detailed arrangements of collaboration that will be agreed upon. Terms and conditions for each visit, assignment, or such exchange including remuneration, travel cost, and accommodations will be worked out by both institutions, including terms of exchange of any intellectual property.

Student Exchange:

COEB, Bhubaneswar, and GIFT, Bhubaneswar agree that student exchange will be guided by principles of the home institution where a student exchange will be guided by principles of the home institution refers to the Institution where a student full-time time student and from where he/she is expected to graduate. A host institution refers to an institution that receives a student for a brief period of time to undertake a predetermined Programme of study and research.

1. Exchange students will be selected by mutual agreement between the home institution and Host Institution.
2. An exchange student shall continue to be treated as a full-time student at his/her home institution.
3. His/her Programme of study at the host institution will be determined by mutual consultation for a particular assignment of a program.
4. The host institute will evaluate an exchange student's performance in each course or module.
5. If an exchange student has undergone research, then the host institutions will evaluate the exchange student's performance in the research, then the host institution will evaluate the exchange student's performance in the research and issue a letter to the effect.
6. COEB, Bhubaneswar and GIFT, Bhubaneswar agrees to provide suitable accommodation and living expenses for student exchange.
7. To avail travel expenses, students can apply at their home institution.

Other Activity Areas:

- To exchange information on education and research programme.
- To exchange information on teaching learning materials to their educational and research Programme.
- To jointly conduct short-term education programme and to invite each others, faculty, to participate therein.
- To organize joint Seminars, Conferences, Workshops on topics of their curriculum and invite each other faculty to participate therein.
- To exchange students of Postgraduate for limited periods of time for purpose of education and research.
- To perform students, staff and faculty members to use library facilities.

Co-ordination: Each Institute shall appoint one member of its teaching /research faculty to co-ordinate the programme on its view. Further, a coordinator committee consisting of both the institutions will periodically review to strengthen co-operation between two institutions.

Any intellectual property rights developed jointly during the course of the MoU, such as confidential information, copyrights, design rights, Patent rights, or any other intellectual property right, shall be vested in both institutions.

Amendments/Modifications:

This MoU may be modified/amended if required by a written agreement signed by both parties.

Adherence to laws:

Participating faculties, Staff, and Students involved in any activities under this Memorandum must adhere to the laws, rules, and regulations of the Host Institution.

Validity:

This memorandum shall remain in force for a period of five years commencing from the date of this MoU. Both parties may extend the term by written agreement signed by both after review.

Termination:

Either institute may terminate the MoU by providing the other institution with six months' written notice. If the contract is terminated, neither COEB, Bhubaneswar nor GIFT, Bhubaneswar will be liable for any losses. Both Institutions, however, will ensure that the provisions of this Memorandum are followed in all activities until its completion.

Legal Dispute:

This memorandum is a statement of intent to foster genuine and mutually beneficial collaboration. Hence nothing shall be constructed in any legal relationship between these two institutions. In case there shall be any dispute, it shall be jointly resolved in a spirit of mutual respect and shared responsibilities.

Sub: On-Line Deputing six numbers of Faculties nominated as visiting Faculty towards delivering lessons on "Innovative Research Trends in Artificial Intelligence using Matlab" under academic cooperation and collaboration scheme as defined in Memorandum of Understanding (MoU).

Dear Sir,

On the above noted subject you are requested to depute virtually six numbers of teaching staff to be designated as Visiting Faculty to this institution under Faculty Exchange Program during the period of 10th DEC 2020 to 16th DEC 2020. We hope their contribution in teaching learning methodology will definitely be helpful in academic growth of both the institutions.

You are therefore requested to follow the below mentioned guidelines while deploying staff during faculty exchange program.

1. Faculty should be selected from the department of CSE branch based on their academic concept and research exposure.
 2. During the whole program, they will share or teach/co-teach to his/her colleagues to enhance their academic knowledge.
 3. Library Facilities, ICT tools, accommodations, TA and DA must be beared by the hosting Institution.
 4. All the faculties who will take part in this program will submit their resume along with the NOC certificate.
 5. The deputed faculty will be considered as visiting faculty so no remuneration will be provided.
- Your kind consent and a letter of acceptance is awaited.

Memorandum of Understanding (MoU) for Academic Co-operation and Collaboration by Exchanging of Students /Staff/Faculty

Between College of Engineering Bhubaneswar, Odisha and Gandhi Institute of Technology and Management(GITAM), Bhubaneswar,Odisha

This Memorandum of Understanding becomes effective on 15th Oct, 2019 to form an association.

by and between

College of Engineering Bhubaneswar (COEB), Odisha-751024 as the first part

And

and Gandhi Institute of Technology and Management(GITAM), Bhubaneswar, Odisha - 752054 as the Second Part

For the purpose of exchanging Student/Staff/Faculty

The aforesaid institutions are herein referred to individually as “**Institute**” and collectively as “**Institutions**”

Whereas COEB, Bhubaneswar and GITAM, Bhubaneswar have many areas of common interest in the field of Management studies by considering the benefits that can be gained from their recreation on a shared basis in academics, research, training, and education.

Objective:

Both Institutes mutually agreed to develop the following collaborative activities in the academic areas of mutual interest on a basis of equality and reciprocity.

Both the institute shall seek to promote:

- Exchange of Faculty/Students/Staff for the mutual benefit of both institutions.
- Collaboration in teaching, R&D, and consultancy studies in fields of mutual interest.
- Enhancement of teaching and research abilities.
- Participating in joint study tours and conferences.
- Sharing academic resources and publications.
- Delivering lectures, workshops, and seminars to benefit both institutions
- Staff attachment for curriculum development purposes.

A specific plan shall be carried out for each activity setting forth the detailed arrangements of collaboration that will be agreed upon. Terms and conditions for each visit, assignment, or such exchange including remuneration, travel cost, and accommodations will be worked out by both institutions, including terms of exchange of any intellectual property.

4. The host institute will evaluate an exchange student's performance in each course or module.
5. If an exchange student has undergone research, then the host institutions will evaluate the exchange student's performance in the research, then the host institution will evaluate the exchange student's performance in the research and issue a letter to the effect.
6. COEB, Bhubaneswar and SERC, Bhubaneswar agrees to provide suitable accommodation and living expenses for student exchange.
7. To avail travel expenses, students can apply at their home institution.

Other Activity Areas:

- To exchange information on education and research programme.
- To exchange information on teaching learning materials to their educational and research Programme.
- To jointly conduct short-term education programme and to invite each others, faculty, to participate therein.
- To organize joint Seminars, Conferences, Workshops on topics of their curriculum and invite each other faculty to participate therein.
- To exchange students of Postgraduate for limited periods of time for purpose of education and research.
- To perform students, staff and faculty members to use library facilities.

Co-ordination:

Each Institute shall appoint one member of its teaching /research faculty to co-ordinate the programme on its view. Further, a coordinator committee consisting of both the institutions will periodically review to strengthen co-operation between two institutions.

Intellectual Property Rights:

Any intellectual property rights developed jointly during the course of the MoU, such as confidential information, copyrights, design rights, Patent rights, or any other intellectual property right, shall be vested in both institutions.

Amendments/Modifications:

This MoU may be modified/amended if required by a written agreement signed by both parties.

Adherence to laws:

Participating faculties, Staff, and Students involved in any activities under this Memorandum must adhere to the laws, rules, and regulations of the Host Institution.

Validity:

This memorandum shall remain in force for a period of five years commencing from the date of this MoU. Both parties may extend the term by written agreement signed by both after review.

Termination:

Either institute may terminate the MoU by providing the other institution with six months' written notice. If the contract is terminated, neither COEB, Bhubaneswar nor SERC, Bhubaneswar will be liable for any losses. Both Institutions, however, will ensure that the provisions of this Memorandum are followed in all activities until its completion.

Legal Dispute:

This memorandum is a statement of intent to foster genuine and mutually beneficial collaboration. Hence nothing shall be constructed in any legal relationship between these two institutions. In case there shall be any dispute, it shall be jointly resolved in a spirit of mutual respect and shared responsibilities.

COEB, Bhubaneswar and SERC, Bhubaneswar agree on the establishment of this MoU for cooperation as set out above

Sub: Participation of students in Student Exchange Programme.

Dear Sir,

With reference to the Academic collaboration and cooperation scheme made with your institution we invite your students (maximum of 30 numbers from UG level) to participate in student exchange program hosted by the institution between 12th Nov 2019 to 26th Nov 2019 on "Advances in the field of Mechatronics and its real use cases".

The detailed term and conditions are given as follows:

1. The number of student is maximum up to 30 nos and from UG level only.
2. A supervisor may be attached to accompany with the students.
3. Accommodations and other such entities may be borne by the institute.
4. Completion certificate must be issued after successful completion of the program.
5. Proper coordination and good behavior is a must. Failing in it may lead to termination from the program.

A line of confirmation is awaited in this regarding.

MEMORANDUM OF UNDERSTANDING

BETWEEN

College of Engineering Bhubaneswar, Odisha-751024

AND

**Oddisi Properties Private Limited
225 Bapuji Nagar, Bhubaneswar, Khurda**

This Memorandum of Understanding (MOU) for collaborative research, educational training and project activities is entered into this 21st May 2018 by and between College of Engineering Bhubaneswar (hereafter referred as COEB) Odisha, India (hereinafter called the ~~First Party~~) and Oddisi Properties Pvt Ltd (OPPL), Bhubaneswar, Odisha, India (hereinafter called the ~~Second Party~~).

GENERAL PRINCIPLES AND OBJECTIVES

1. The prime objectives of this agreement between both the parties is to establish a mutually beneficial association built for research, academic quality enrichment, training and joint collaborative projects for the benefit of technology in particular and society in general through exchange of resources, resource person and related laboratory & workshop facilities for the aforesaid objectives.
2. Both the parties agree to provide opportunities and synergic assistance as appropriate for the following activities towards initiating, conducting & completing the objectives of this MOU.
 - a) The joint programmes/ projects thus formulated shall have to be acceptable to both the parties.

PRINCIPAL
College of Engineering Bhubaneswar

Oddisi Properties Private Limited

225 Bapuji Nagar, Bhubaneswar, Khurda, Odisha, India

- b) The research, training, educational projects shall be planned and prepared by the nominated experts from both the institutions.
- c) The Internship for students.
- d) The joint projects/programmes shall be submitted by the First Party on behalf of both the parties to the sponsoring agencies which are identified and agreed upon both the parties.
- e) Each party shall retain respective autonomy and control over the manner in which the commitments and obligations are met for the collaborative ventures.
- f) Guest Lecture for enhancing the knowledge of students.
- g) The first party shall apply to the Sponsoring Agencies for securing the projects and maintain the required documents/records/books of accounts/expenditure details/bills etc. and carryout all the required including commercial and financial formalities.
- h) Study Tour for Students.
- i) The financial grants/aid provided by the sponsoring Organization for any project shall be received by the First Party on behalf of both the parties. The amount so received shall be spent under the approval of the Project In-charge of respective parties according to planned activities formulated by both the parties.
- j) This MoU is also valid for providing and supporting students in their placement activities.

OTHER TERMS AND CONDITIONS

1. No clause of agreement of this MOU shall be amended or modified except by a joint written and signed Order of the Heads of both the institutions (First and Second Parties). Such amendments shall be identified through continuous serial number with date.
2. The credit for research publication and Patents of the joint project shall be shared by the parties, the research scholars and the guides as per joint decision of the Head of both the Institution.
3. The MOU shall be valid for the period of 5(Five) years from the date of its signing by both parties and shall be extended further periods as per mutual agreements.

PRINCIPAL
College of Engineering Bhubaneswar

Oddisi Properties Private Limited

225 Bapuji Nagar, Bhubaneswar, Khurda, Odisha, India

4. This MOU shall be binding upon and ensure to the benefit of both the institution and Company including their successors and assignors.
5. All notices and other business communications between **COEB** and **OPPL** shall be in writing and sent by certified mail and addressed to the Heads of the Respective Institution.
6. In case one of the two parties desired to withdraw from MOU during the pendency of the agreement, the concerned Party shall give at least 6(Six) months written and signed notice of it's intension to do so to the head of other party. However, the MOU cannot be terminated unless the ongoing projects / programmes are completed in all respect including financial and commercial commitments.

To whom it may concern

This is to certify that **Ms. Monalisha Swain**, a student of the College of Engineering Bhubaneswar, has successfully completed her internship at Oddisi Properties Private Limited in the Civil Engineering Department. The duration of the internship was one month, from **11/06/2018 to 12/07/2018**, during which she exhibited exceptional dedication and a strong understanding of civil engineering principles.

Ms. Monalisha Swain was an integral part of our Civil Engineering team, where she was involved in various projects that required a high level of technical expertise and creativity. Her primary roles and responsibilities included:

Design and Planning Assistance: Aiding in the design and planning phases of civil engineering projects, using CAD software and other design tools.

Project Documentation: Preparing detailed project documentation, including reports, drawings, and project timelines.

Ms. Monalisha Swain's performance throughout her internship was exemplary. She demonstrated a strong aptitude for civil engineering, a keen eye for detail, and the ability to work effectively under pressure. Her proactive approach and ability to quickly adapt to new challenges were particularly noteworthy.

This certificate is awarded in recognition of **Ms. Monalisha Swain** hard work, dedication, and valuable contributions to our Civil Engineering department during her internship.

We are confident that the skills and experience she has gained here will greatly benefit her in her future academic and professional pursuits.

Memorandum of understanding

This memorandum of understanding is made and entered into on the date of 30th June, 2018 between COLLEGE OF ENGINEERING BHUBANESWAR (here in after referred to as **COEB**) party of the Second part and GRINITY SOLAR PVT. LTD. called the party of First part (which expression the context so requires or permits, shall mean and include successors in office and assignees).

Whereas COLLEGE OF ENGINEERING BHUBANESWAR (**COEB**) Patia, Bhubaneswar Odisha is a part of Koustuv Groups of Institutions. The objective of the trust has been to impart education to Indian society. **COEB** engaged with contributing to growing Technological knowledge and professional excellence in Engineering and Technology by under taking industrial and applied research and consultancy.

And Whereas GRINITY SOLAR PVT. LTD. (here in after referred to as **GSPL**) is a solar Rooftop power subsidy company situated at BHUBANESWAR which provides customized turnkey power solutions for small to medium scale solar power plants to expert consulting services to support power generation facilities of any type and size.

WHERE AS, Both **COEB & GSPL.**, now

- Providing opportunities for student groups to undertake problem solving projects in the area of content development and software solution
- Training of student, faculty and teaching staff in new technology and process
- Collaborating in joint educational and extension program.
- Student internship program
- Job and Placement related opportunities

INTEND to form a nucleus for promoting excellent quality manpower in the fields of engineering, technology and science with special emphasis on technical education in the world of learning and preparing students for the future and here to be counted amongst the best educational and research institute globally and related field etc.

NOW THEREFORE, in consideration of mutual promises made here in and of good and valuable consideration the receipt and sufficiency of which both **COEB** and **GSPL.** here by agree to sign a non -binding memorandum of understanding (MOU)

ARTICLE 1: SCOPE OF THE (MOU)

This MOU details the modalities and general condition regarding collaboration between **COEB** and **GSPL.** for enhancing with the country, the availability of highly qualified manpower in the area of Computer engineering, Electrical Engineering, Mechanical Engineering without any prejudice to prevailing rules and regulations in **COEB** and **GSPL.** without any disregard to any mechanism evolved and approved by the competent authorities

PRINCIPAL
College of Engineering Bhubaneswar

Ref No. _____

Date: _____

under Govt of India in so far as such mechanism applies to **COEB** and **GSPL**. The area of cooperation can be extended through mutual consent.

ARTICLE-11: TERMS OF INTERACTIONS

Both **COEB** and **GSPL**. shall encourage interaction between the Engineers, Scientist, Research Fellows and students of both the organizations through the following arrangement:

- Exchange of personnel through deputation as per the rules of the respective organization for limited period as mutually agreed upon
- Organization of Joint Conference and seminars;
- Practical training of **COEB** students at **GSPL**. may request to design and teach a course or short-term Training which it deems fit to enhance quality and performance of its employees. Such course may be run at any mutually convenient premises. This will give exposure on the latest trend in application of the concerned areas.
- GATE STUDENTS may visit as a industrial tour as per their course curriculum
- Summer internship and placement of the eligible student from **COEB** strictly according to the extended rules and regulation of **GSPL**. **COEB** students can avail funding from at **GSPL**. for their research projects.
- **GSPL**. may avail library, internet, computational facilities at **COEB**
- There will be no restriction on the contents of the thesis and on publication of the result of the thesis, subject to the conditions, that no Intellectual property Rights can be secured for any part of the work which will be decided with mutual consent.

ARTICLE-III: - SHARING OF FACILITIES

- **COEB** and **GSPL**. shall permit the sharing technology and other materials and components developed in-house in the areas of cooperation, if permissible within the rule governing the two institutions. However, responsibility for safety of software and other materials during the exchange will rest on respective Head academic department/section.
- **COEB** and **GSPL**. shall provide access to the library facilities to scientists, members of faculty and students as per the prevailing rules and norms in the respective organization.

ARTICLE-IV: - CO-ORDINATION OF THE PROGRAMME INCLUDING FINANCIAL ARRANGEMENT

- The collaborative programme between **COEB** and **GSPL**. shall be coordinated by a Coordination Committee appointed by Head of Institution of both the organization
- Project Schedule will be decided by **COEB** and **GSPL**. mutually.

PRINCIPAL
College of Engineering Bhubaneswar

Ref No. _____

Date: _____

- Financial arrangements for each specific collaboration will be decided on a case-to-case basis and brought on record in each case after due approval from heads of both the organization

ARTICLE-V: - EFFECTIVE DATE AND DURATION OF MOU

- This MOU shall be effective from the date of its approval by component authorities at both ends.
- The duration of the MOU shall be for a period of **5 year** from the effective date.
- During its tenancy, the MOU may be extended or terminated by a prior notice of not less than six months by either party. However, termination of the MOU will not in any manner affect the interests of the students/faculty/scientists who have been admitted to pursue a programme under the MOU.
- Any clause or article of the MOU may be modified or amended by mutual agreement of **COEBandGSPL**

ARTICLE-VI: - INTELLECTUAL PROPERTY RIGHT

Right regarding publications, patterns, royalty, ownership of software / design / product developed etc. under the scope of this MOU, shall be decided by the two parties by mutual consent.

ARTICLE-VII: - CONFIDENTIALITY

During the tenure of the MOU both **COEBandGSPL**.will maintain strict confidentiality and prevent disclosure of all the information and data exchanged under the scope of this MOU for any purpose other than in accordance with this MOU.

Both **COEBandGSPL**.shall bind their respective personnel who come into possession or knowledge of any confidential information not to disclose the same to third parties without written approval of the disclosing party or use such confidential information for any use other than intended under this agreement for **PROJECTS**.

Further both **COEBandGSPL**.shall put in place adequate and reasonable measures to keep and store confidential information secure so as to prevent any unauthorized use.

CONFIDENTIAL INFORMATION shall mean any proprietary information, data or facts belonging to PARTIES collectively or severally, disclosed by the disclosing party under this agreement or any subsequent agreement, whether in writing, verbal or electronically, irrespective of the medium in which such information is stored, which is marked confidential or with any other words having similar meaning by the disclosing party, or specifically agreed to be kept confidential by the parties, or declared or identified so by the disclosing party before such disclosure or during the discussion. However confidential information shall not include any data or information which:

Memorandum of Understanding (MoU) for Academic Co-operation and Collaboration by Exchanging of Students /Staff/Faculty

Between College of Engineering Bhubaneswar, Odisha and Krupajal Engineering College, Odisha

This Memorandum of Understanding becomes effective on 1st Nov, 2018 to form an association.

by and between

College of Engineering Bhubaneswar (hereafter referred as COEB), Patia, Bhubaneswar Odisha-751024 as the first part

And

Krupajal Engineering College (KEC), Prasanti Vihar, Kausalyapur, Bhailo, Odisha 752104 as the Second Part

For the purpose of exchanging Student/Staff/Faculty

The aforesaid institutions are herein referred to individually as “**Institute**” and collectively as “**Institutions**”

Whereas COEB, Bhubaneswar and KEC, Bhubaneswar have many areas of common interest in the field of Management studies by considering the benefits that can be gained from their recreation on a shared basis in academics, research, training, and education.

Objective:

Both Institutes mutually agreed to develop the following collaborative activities in the academic areas of mutual interest on a basis of equality and reciprocity.

Both the institute shall seek to promote:

- Exchange of Faculty/Students/Staff for the mutual benefit of both institutions.
- Collaboration in teaching, R&D, and consultancy studies in fields of mutual interest.
- Enhancement of teaching and research abilities.
- Participating in joint study tours and conferences.
- Sharing academic resources and publications.
- Delivering lectures, workshops, and seminars to benefit both institutions
- Staff attachment for curriculum development purposes.

A specific plan shall be carried out for each activity setting forth the detailed arrangements of collaboration that will be agreed upon. Terms and conditions for each visit, assignment, or such exchange including remuneration, travel cost, and accommodations will be worked out by both institutions, including terms of exchange of any intellectual property.

Dear Sir,

On the above noted subject you are requested to depute six numbers of teaching staff to be designated as Visiting Faculty to this institution under Faculty Exchange Program during the period of 11th Dec 2018 to 17th Dec 2018. We hope their contribution in teaching learning methodology will definitely be helpful in academic growth of both the institutions.

You are therefore requested to follow the below mentioned guidelines while deploying staff during faculty exchange program.

1. Faculty should be selected from the department of Civil & Mechanical Engineering branch based on their academic concept and research exposure.
 2. During the whole program, they will share or teach/co-teach to his/her colleagues to enhance their academic knowledge.
 3. Library Facilities, ICT tools, accommodations, TA and DA must be beared by the hosting Institution.
 4. All the faculties who will take part in this program will submit their resume along with the NOC certificate.
 5. The deputed faculty will be considered as visiting faculty so no remuneration will be provided.
- Your kind consent and a letter of acceptance is awaited.

To whom it may concern

This certificate proudly acknowledges that Ms. **Tapaswini Thatoi**, a student from the College of Engineering Bhubaneswar, has successfully completed her internship at **Smart HR Solutions**. The internship was carried out from **02/04/2019 to 30/04/2019**. During which Ms. **Thatoi** was engaged in a project related to the field of business administration.

Throughout her internship, Ms. **Thatoi** dedicated herself to learning and contributing to various aspects of human resources and business management. Her involvement in the project allowed her to delve deeply into contemporary HR practices and strategies, enhancing her understanding of business operations and management principles.

Ms. Thatoi demonstrated remarkable enthusiasm and aptitude for the tasks assigned to her. She exhibited a strong work ethic, excellent communication skills, and the ability to work effectively in a team. Her analytical skills and keen insight were instrumental in the successful completion of her project.

The knowledge and experience gained by **Ms. Thatoi** during her time with **Smart HR Solutions** have equipped her with valuable skills that will undoubtedly benefit her future academic and professional endeavors. We commend her for her hard work, dedication, and positive contribution to our team.

We wish **Ms. Tapaswini Thatoi** all the best in her future pursuits and are confident that she will excel in her career in business administration.

To whom it may concern

This certificate verifies that **Mr. Biswajit Jena**, a diligent student of the College of Engineering Bhubaneswar, has satisfactorily completed his internship at **Aryan Infra Projects Limited** from **02/04/2019 to 30/04/2019**.

Throughout his internship period, Mr. Jena played a significant role in the planning and development of the "Green Horizon Apartment Complex" project, a pioneering initiative aimed at creating sustainable and modern living spaces in Bhubaneswar. His involvement encompassed contributing to the design concepts, participating in the development of eco-friendly infrastructure solutions, and assisting with the integration of renewable energy sources into the project.

Mr. Jena demonstrated a profound commitment to the project, showcasing his ability to blend his theoretical knowledge with practical application effectively. His insights into sustainable building practices and keen interest in the advancement of eco-friendly living environments have made a noticeable impact on the progress and direction of the Green Horizon Apartment Complex project. The hands-on experience gained by Mr. Jena in this project has not only enhanced his understanding of apartment development planning but has also prepared him for a promising future in the field of civil engineering and sustainable development.

We appreciate Mr. Jena's hard work, enthusiasm, and the contributions he has made to our team. We are confident that the skills and experiences he has acquired during his time with us will greatly benefit his future endeavors.

We wish Mr. Biswajit Jena all the best in his future academic and professional pursuits.

Konark Institute of Science and Technology

Ref No.

Date: 15/10/2018

Each Institute shall appoint one member of its teaching /research faculty to co-ordinate the programme on its view. Further, a coordinator committee consisting of both the institutions will periodically review to strengthen co-operation between two institutions.

Intellectual Property Rights:

Any intellectual property rights developed jointly during the course of the MoU, such as confidential information, copyrights, design rights, Patent rights, or any other intellectual property right, shall be vested in both institutions.

Amendments/Modifications:

This MoU may be modified/amended if required by a written agreement signed by both parties.

Adherence to laws:

Participating faculties, Staff, and Students involved in any activities under this Memorandum must adhere to the laws, rules, and regulations of the Host Institution.

Validity:

This memorandum shall remain in force for a period of five years commencing from the date of this MoU. Both parties may extend the term by written agreement signed by both after review.

Termination:

Either institute may terminate the MoU by providing the other institution with six months' written notice. If the contract is terminated, neither COEB, Bhubaneswar nor KIST, Bhubaneswar will be liable for any losses. Both Institutions, however, will ensure that the provisions of this Memorandum are followed in all activities until its completion.

Legal Dispute:

This memorandum is a statement of intent to foster genuine and mutually beneficial collaboration. Hence nothing shall be constructed in any legal relationship between these two institutions. In case there shall be any dispute, it shall be jointly resolved in a spirit of mutual respect and shared responsibilities.

COEB, Bhubaneswar and KIST, Bhubaneswar agree on the establishment of this MoU for cooperation as set out above

Sub: Deputing Five numbers of Faculties nominated as visiting Faculty towards delivering lessons on "Recent Developments and Trends in IOT Applications" under academic cooperation and collaboration scheme as defined in Memorandum of Understanding (MoU).

Dear Sir,

On the above noted subject you are requested to depute five numbers of teaching staff to be designated as Visiting Faculty to this institution under Faculty Exchange Program during the period of 15th Nov 2018 to 20th Nov 2018. We hope their contribution in teaching learning methodology will definitely be helpful in academic growth of both the institutions.

You are therefore requested to follow the below mentioned guidelines while deploying staff during faculty exchange program.

1. Faculty should be selected from the department of ETC, CSE, EE Engineering branch based on their academic concept and research exposure.
 2. During the whole program, they will share or teach/co-teach to his/her colleagues to enhance their academic knowledge.
 3. Library Facilities, ICT tools, accommodations, TA and DA must be beared by the hosting Institution.
 4. All the faculties who will take part in this program will submit their resume along with the NOC certificate.
 5. The deputed faculty will be considered as visiting faculty so no remuneration will be provided.
- Your kind consent and a letter of acceptance is awaited.
