Sub: Approval of new scholarship program

Respected Sir,

I'm writing to ask for your permission to implement a scholarship program for students at our institute. The goal of this scholarship program is to encourage and support exceptional intellectual performance among our pupils who might not be able to afford to finish their studies.

Under the "NABADIGANT EDUCATIONAL TRUST SCHOLARSHIP," students who have excelled academically in their classes will be eligible to apply for the scholarship program. The selection criteria will be determined by looking at extracurricular activity participation, financial necessity, and academic achievement. We are confident that this scholarship will encourage our students to aim for academic success and support those who might be struggling financially to finish their studies.

Since our campus community will greatly benefit from this scholarship program, I would like to ask for your approval and support. The college's budget and any other contributions that may be obtained especially for this purpose will provide the scholarship cash.

I appreciate your thought and eagerly await your response.

Your's Sincerely
